***“The greatest hope for the future of medical science, to achieve scale & precision is only through technology”***

Dear Friends,

It gives me great pleasure to invite you to the **SPARSH Arthroplasty Course-2023**. It's a focused meeting with objective to gain deep insights into Daycare Arthroplasty, Uni-compartmental knee replacement, direct anterior approach to the Hip & Dual mobility cup usage in complex hip Arthroplasty.

The meeting will consist of a keynote address, panel discussion and live surgeries for each of the modules. The faculty consists of the best minds in these specific areas of Arthroplasty practice both from India & Abroad.

We eagerly look forward to welcoming you once again to SPARSH & share the joy of learning together.
